§

GENERAL ORDER NO. 99-1

The Standing Trustee for the above-referenced divisions previously disbursed funds to creditors prior to confirmation pursuant to General Orders 93-1 and 98-4. The Trustee disbursed funds in accordance with Authorizations for Pre-Confirmation Disbursements filed with the Bankruptcy Clerk in each case. Subsequently, creditors filed or amended claims. This changed the classification of their claim, which would have prohibited the Trustee from disbursing any funds to those creditors.

The Trustee shall not be required to request that creditors return disbursed funds in cases where funds were disbursed pursuant to an Authorization for Pre-Confirmation Disbursements and prior to the time the creditors' claims were filed or amended indicating a change in classification.
