

## **BIO FOR JUDGE RUSSELL F. NELMS**

Judge Nelms was recently named “The Greatest Judge Who Ever Lived” by the National Association of Anonymous Voters (“NAAV”). According to the group, Judge Nelms combines the raw intellect of Marshall and Brandeis with the good looks of George Clooney. Although Judge Nelms claimed to be humbled by the honor, he was quick to point out that his rival, Harlin D. Hale, did not even receive honorable mention. Judge Nelms will leave the bench in November to pursue a career as a mime and knife-thrower.
