**NOTICE REGARDING CHANGES IN BANKRUPTCY COURT  
MISCELLANEOUS FEE SCHEDULE EFFECTIVE SEPTEMBER 1, 2018**

The Judicial Conference of the United States has approved a new fee for providing copies of records in electronic form when those records are not available on the Public Access to Court Electronic Records (PACER) system or stored in the Case Management/Electronic Case Files (CM/ECF) system.

This fee will be implemented through amendments to the appellate, district, and bankruptcy court miscellaneous fee schedules, as well as to the U.S. Court of Federal Claims and the Judicial Panel on Multidistrict Litigation miscellaneous fee schedule. These amendments, as well as conforming changes to the existing fees for reproducing a record in paper form, will become effective September 1, 2018.

The new fee will be incorporated into the existing fee items pertaining to reproducing a record in paper form for the Bankruptcy Court Miscellaneous Fee Schedule (Item 1), as follows:

1. (a) For reproducing any document and providing a copy in paper form, \$.50 per page. This fee applies to services rendered on behalf of the United States if the document requested is available through electronic access.
- (b) For reproducing and transmitting in any manner a copy of an electronic record stored outside of the court's electronic case management system, including but not limited to, document files, audio recordings, and video recordings, \$31 per record provided. Audio recordings of court proceedings continue to be governed by a separate fee under item 3 of this schedule.
