WebEx Hearing Instructions Judge Edward L. Morris

In accordance with <u>General Order 2021-06</u>, effective July 1, 2021 and continuing thereafter until ordered otherwise, all hearings before Judge Edward L. Morris will be conducted in one of the following three ways depending upon the nature of the proceeding: (1) in a remote only mode (by video and telephone via the Court's WebEx platform); (2) in an in-person only mode (before the Court in the courtroom); or (3) in a hybrid mode (enabling participants to appear in person or remotely).

General Information:

These instructions apply solely to remote only and hybrid hearings. For such hearings, subject to compliance with the procedures and requirements set forth herein, all counsel and other parties in interest are permitted to attend and participate in the hearing remotely without first obtaining permission of the Court to do so. Those who plan to <u>actively participate</u> in the hearing are encouraged to attend in the WebEx video mode using the WebEx video link below. Those who will <u>not</u> be seeking to introduce any evidence at the hearing and who wish to attend the hearing in a telephonic only mode may attend in the WebEx telephonic only mode using the WebEx dial-in and meeting ID below.

Participation/Attendance Requirements for Remote Only and Hybrid Hearings:

- Remote attendees should join the WebEx hearing <u>at least 10 minutes prior</u> to the hearing start time. Please be advised that a hearing may already be in progress. <u>During hearings, attendees are required</u> to keep their lines on mute at all times that they are not addressing the Court or otherwise actively <u>participating in the hearing</u>. The Court reserves the right to disconnect or place on permanent mute any attendee that causes any disruption to the proceedings. For general information and tips with respect to WebEx participation and attendance, please see <u>Clerk's Notice 20-04</u>.
- For (a) remote only hearings and (b) hybrid hearings at which the Court has pre-authorized a witness' remote attendance and participation, witness testimony must be provided with the WebEx video function activated. Except in extremely rare, emergency situations in which the Court determines that cause exists to waive the prohibition or where such form of testimony has been pre-authorized by the Court, witnesses may not provide testimony by telephone alone.
- Counsel and parties in interest are also required to comply with Judge Morris' <u>Telephonic and</u> <u>Videoconference Hearing Policy</u> (click on Judge-Specific Guidelines tab and then click on link to Telephonic and Videoconference Hearing Policy).

Exhibit Requirements for Remote Only and Hybrid Hearings:

- Any party intending to introduce documentary evidence at the hearing <u>must</u> file an exhibit list in the case with a true and correct copy of each designated exhibit filed as a <u>separate</u>, <u>individual</u> <u>attachment thereto</u> so that the Court and all participants have ready access to all designated exhibits.
- If the number of pages of such exhibits exceeds 100, then such party <u>must</u> also deliver two (2) sets of such exhibits in exhibit binders to the Court by no later than twenty-four (24) hours in advance of the hearing, unless the hearing will be conducted in a hybrid format and counsel will be presenting the binders to the Court, in person, at the commencement of the hearing.
- For any witness that is to be called to testify remotely, the party calling the witness must, in advance of the hearing, supply the witness (or counsel for the witness, as appropriate) with paper copies of all designated exhibits for the hearing.
