**ANNOUNCEMENT: ECF ONLINE ATTORNEY TRAINING NOW AVAILABLE**

We are pleased to announce that the Northern District of Texas is now offering **ECF Online Attorney Training**.

ECF Online Attorney Training satisfies our district's registration requirement and consists of interactive modules that can be taken from the convenience of your office. Individual training modules are offered for debtor's and creditor's attorneys. Each training module takes approximately an hour and a half to complete. You may also proceed at your own pace by pausing the module and minimizing the browser to return to it at a later time.

After completion of the training and a review by our Clerk's Office, Live ECF credentials are emailed to the registering attorney to immediately begin electronically filing. Office staff are welcome to take advantage of the training program and can receive an ECF Training Certificate upon request.

We encourage you to take advantage of this program. For complete instructions and to begin your training, please visit: <http://www.txnb.uscourts.gov/ecf-online-attorney-training>

For any questions regarding this training program, please contact the **ECF Help Desk at 214-753-2600**.
